# Dedication

The Class of 1959 wishes to dedicate this the 1959 Crusader, to Mr. Max Morrison. This simple act of dedication is meant to be a lasting symbol of our deep gratitude to you whose guidance, stern tete-a-tetes, and moral support has lead us to this, one of our first goals in life.

Contained on this dedication page is more than these printed thoughts; here also is our respect, our good wishes for the future, and our inexpressible thanks to you-----Mr. Morrison.

## Class Will

We, the seniors of 1959, being physically fit and mentally sound, leave our last will and testament on this first day of May, nineteen hundred and fifty nine, the following worthy possessions and all our "ways" to the following.

- I, Judy Adelmund, will my ability to sing (especially Hound Dog) to Lois Hobbs.
  - I, Mildred Adelmund, will my friendliness to Dorothy Alberts and Betty Hassman in hopes they will make good use of it.
  - I, Jim Allison, will my ability to fit in the senior class to any new student.
  - I, Darrell Brandt, will my hours spent working at Onnen's D-X station to pay my gas bill to George Duckett.
  - I, Joyce Brocka, will my past affections of Russ Simon to Bren Herberts in hopes that they might get together.
  - I, Deanna Buss, will my file on all the boys I know to Bonnie Tjepkes who knows a lot of boys but doesn't have a file.
  - I, Jerry DeVires, will my good luck with the Sallies to any boy in the junior class who thinks they can equal it.
  - I, Ronnie Dickes, will my ability to make love over the phone to Esther Peters so that the neighbors will continue to have free entertainment after I graduate.
  - I, Dennis Duckett, will the thrill of being engaged in my senior year to Dennis Schuck and Sandy Cuvelier in hopes that they may enjoy the thrill together.
  - I, Don Haack, will my ability to hug the death seat with only my curly locks showing to Stubb Huisman who already has the curly locks.
  - I, Jim Hammar, will my one night remembrance of Lois Hobbs to Rodney Jungling who has a spurned love for her.
  - I, Henrietta Henrichs, will my chauffeur's license (accommodating boys only) to Shirley Hook.
  - I, Jim Hosch, a STOUT hearted man, will my nights spent at the Burr to Russ Simon who goes there for reasons other than mine.
  - I, Vic Junker, will my liking for New Hartford girls to Don Anderson because I think he may have lost some of it after last Wednesday night.
  - I, Clarence Karsjens, will my piano playing friend to Larry Asche in hopes he might look after her when I am not around.
  - I, Dave Knock, will my ability to blush when caught in an embarrassing situation to Mike Allison who I know has never been embarrassed.
  - I, Joyce Knudson, will my good luck with a certain college freshman to Maxine Schwerdtfeger who seems to be having her own share of good luck.
  - I, Ken Kyhl, will my ability to escape a certain senior girl to Dennis Bartels who also has had trouble with the same girl.
  - I, Ken Luhring, will my ability to ask stupid questions to Merle Schrage who may be edging me out.
  - I, Phyllis Meester, will my bookkeeping papers to next year's bookkeeping class in hopes that they may profit from them as much as this year's class did.
  - I, Delores Miller, will my hickies to Delma Tammen who pawns hers off as birth marks.
  - We, Velma Meyer and Carol Puisner, will our diamonds to Sharon Ulfers because she's bound to get one, one way or another, and from one guy or another, so we might as well add to the collection.
  - I, Kate Mulder, will my good times with the Allison boys to Lois Kollman and Shirley DeGroote who already have had their share of good times.
  - I, Al Puisner, will my wavy locks to Dick Brouwer because I think that with his sideburns and wavy locks he will be able to continue his good luck with the freshmen as I have.
  - I, A-L-V-I-E S-L-U-I-T-E-R, will my 2 1/2 hours sales talk to Bev Dickes who I hear gave her sales talk in 5 minutes.
  - I, Dick Snittjer, will Phyllis Meester to no one---I'm keeping that wealth for myself.
  - I, Judy Spain, will my endless desires to go with a certain senior boy to a certain junior girl (confidentially from J. S. to J. S.)
  - I, Karen Spain, will my heart burning interest in a certain bachelor teacher to Nancy Wahl, who may be able to use my tactics on the new single coach next year.
  - I, Duane Tjabring, will my used 8x10 colored picture to Joan Smiens.
- Signed and sealed this first day of May, nineteen hundred and fifty-nine.

## Class Prophecy

May 25, 1969, we see Henrietta Henrichs screeching to a stop in front of the Eclipse door to announce to the town that she just signed her contract with Jimmy Lynch. She acquired this job while visiting her former classmates who are scattered across the nation.

She found Judy Adelmund living in Parkersburg. She is still undecided about which diamond to accept.

Mildred Adelmund is now President of the local Secretary's Union. Their latest theory: they have done away with chairs and now use the boss's lap.

Jim Allison is in the navy and is stationed in Hawaii. Jim seems to like our new state pretty well.

Darrel Brandt is now manager of Klinkenburg's Feed and Produce in Aplington. He must have inherited this from his father-in-law.

Ron Dickes married to the former Esther Peters is manager of MoorMans Feed. They are teaching their children how to play Mickey Mouse. They enjoyed this game in former high school days.

Alvin Sluiter is now living with his wife the former Rosie Morse, and their darling little girls in Napa, California. He is in partnership with his father-in-law.

Don Haak is now the guest conductor at the Butler County Music Festival. It happens to be held in New Hartford every year now.

Duane Tjabring and his wife the former Joan Smeins are washing his hogs so he can win some more blue ribbons.

Allen Praisner is now a great auctioneer. He took lessons from Paul Griffiths.

Jerry DeVires is the twenty-second "TARZAN." Getting desperate aren't they????

Vic "The Voice" Junker the second Elvis Presley caused a riot in New York last week where he was singing at the Stork Club. It took the entire New York police force headed by Ken Kyhl to calm the girls. Ken is considered to be pretty good at that sort of thing when he isn't helping his wife the former Karen Spain put in her contact lenses.

Richard Snittjer, Professor of Entymology, recently signed a ninety-nine year contract at a prominent girls' school, Vassar. His favorite student is still Phyllis Meester.

In the world of science and education we find Jim Hosch has won recognition for the successful cross-breeding of a mule and a zebra. Mrs. Hosch, the former Judy Stout, is very proud.

Seaman First Class Dave Knock was critically injured when he fell 300 feet from the crow's nest. It was only through the superhuman efforts of Joyce Brocka, navy nurse, that he survived.

Delores Miller has been recently employed by the D-X Service Station as the grease monkey.

Kate Mulder is the first woman to make the trip to Little America. She has decided to make her home there.

The famous Judy Spain now head coach at Notre Dame, a prominent boys' school, had a perfect record this season. It was 0 wins and 9 losses.

Bermuda Jim Hammar is burning up the golf course with his fabulous double bogey shooting.

The former Velma Meyer has settled down to a quiet life with her husband, Virgil Cordes, and their five little darlings.

Carol Praisner now Mrs. Roger Aukes has written a book, WE'RE IN THE ARMY NOW. She has become very famous as an author.

Ken Luhring has a new system of roll call which he acquired counting his ten little darlings three times daily.

The former Joyce Knudson is married to a chiropractor whom she met in one of the posture contests. She has made her home in Greene.

Dennis Duckett is still terrorizing our town with his white Studebaker. He has an added attraction, his wife!!!

Deanna Buss is now living in Clarksville and selling monogram stationery.

As Henrietta comes out of the Eclipse Office she meets the final member of her class, Clarence Karsjens. He is now in partnership with the local real estate firm: Schuck, Schuck, and Karsjens.

The High School Library - of what does it consist? There is a "sign-out" desk, a table, the card catalogs, rods, racks, and shelves. On the rods are copies of the following newspapers,- "Parkersburg Eclipse," "Des Moines Register," and "Waterloo Courier." The magazine racks and shelves afford space for a wide range of magazines-"Life," "Saturday Evening Post," "Rotarian," "National Geographic," "Reader's Digest," "Coronet," and several science monthlies. The most important section of the Library contains the books, Reference books include Encyclopedias, Dictionaries, Atlases, sets and single copies which afford material for research, for reports, for speeches in a wide range of subjects from Aeronautics to Zoology. The fiction shelves carry a variety of books intended for "reading for pleasure" from the standard "classics" to the most recent "space" fiction.

The librarian is assisted in the work of keeping the library in order by the student librarians whose pictures appear in the group on this page. Judy Adelmund has typed the cards for all new books for the card catalog. Bonnie Cuvelier has been in charge as student librarian in Junior High and each girl in Seventh and Eighth Grade has served for one week.

## Driver Training

The course in Driver Education and Training consisted of a "Two-Part Program." The first part is Classroom Instruction. The second is Behind the Wheel Instruction.

A minimum of 36 classroom periods is required along with a minimum of five hours behind the wheel.

Sophomores are required to take the course for one semester. This age group as a rule is nearest to the "license age." This year 17 students took Driver Training the first semester and 17 the second semester.

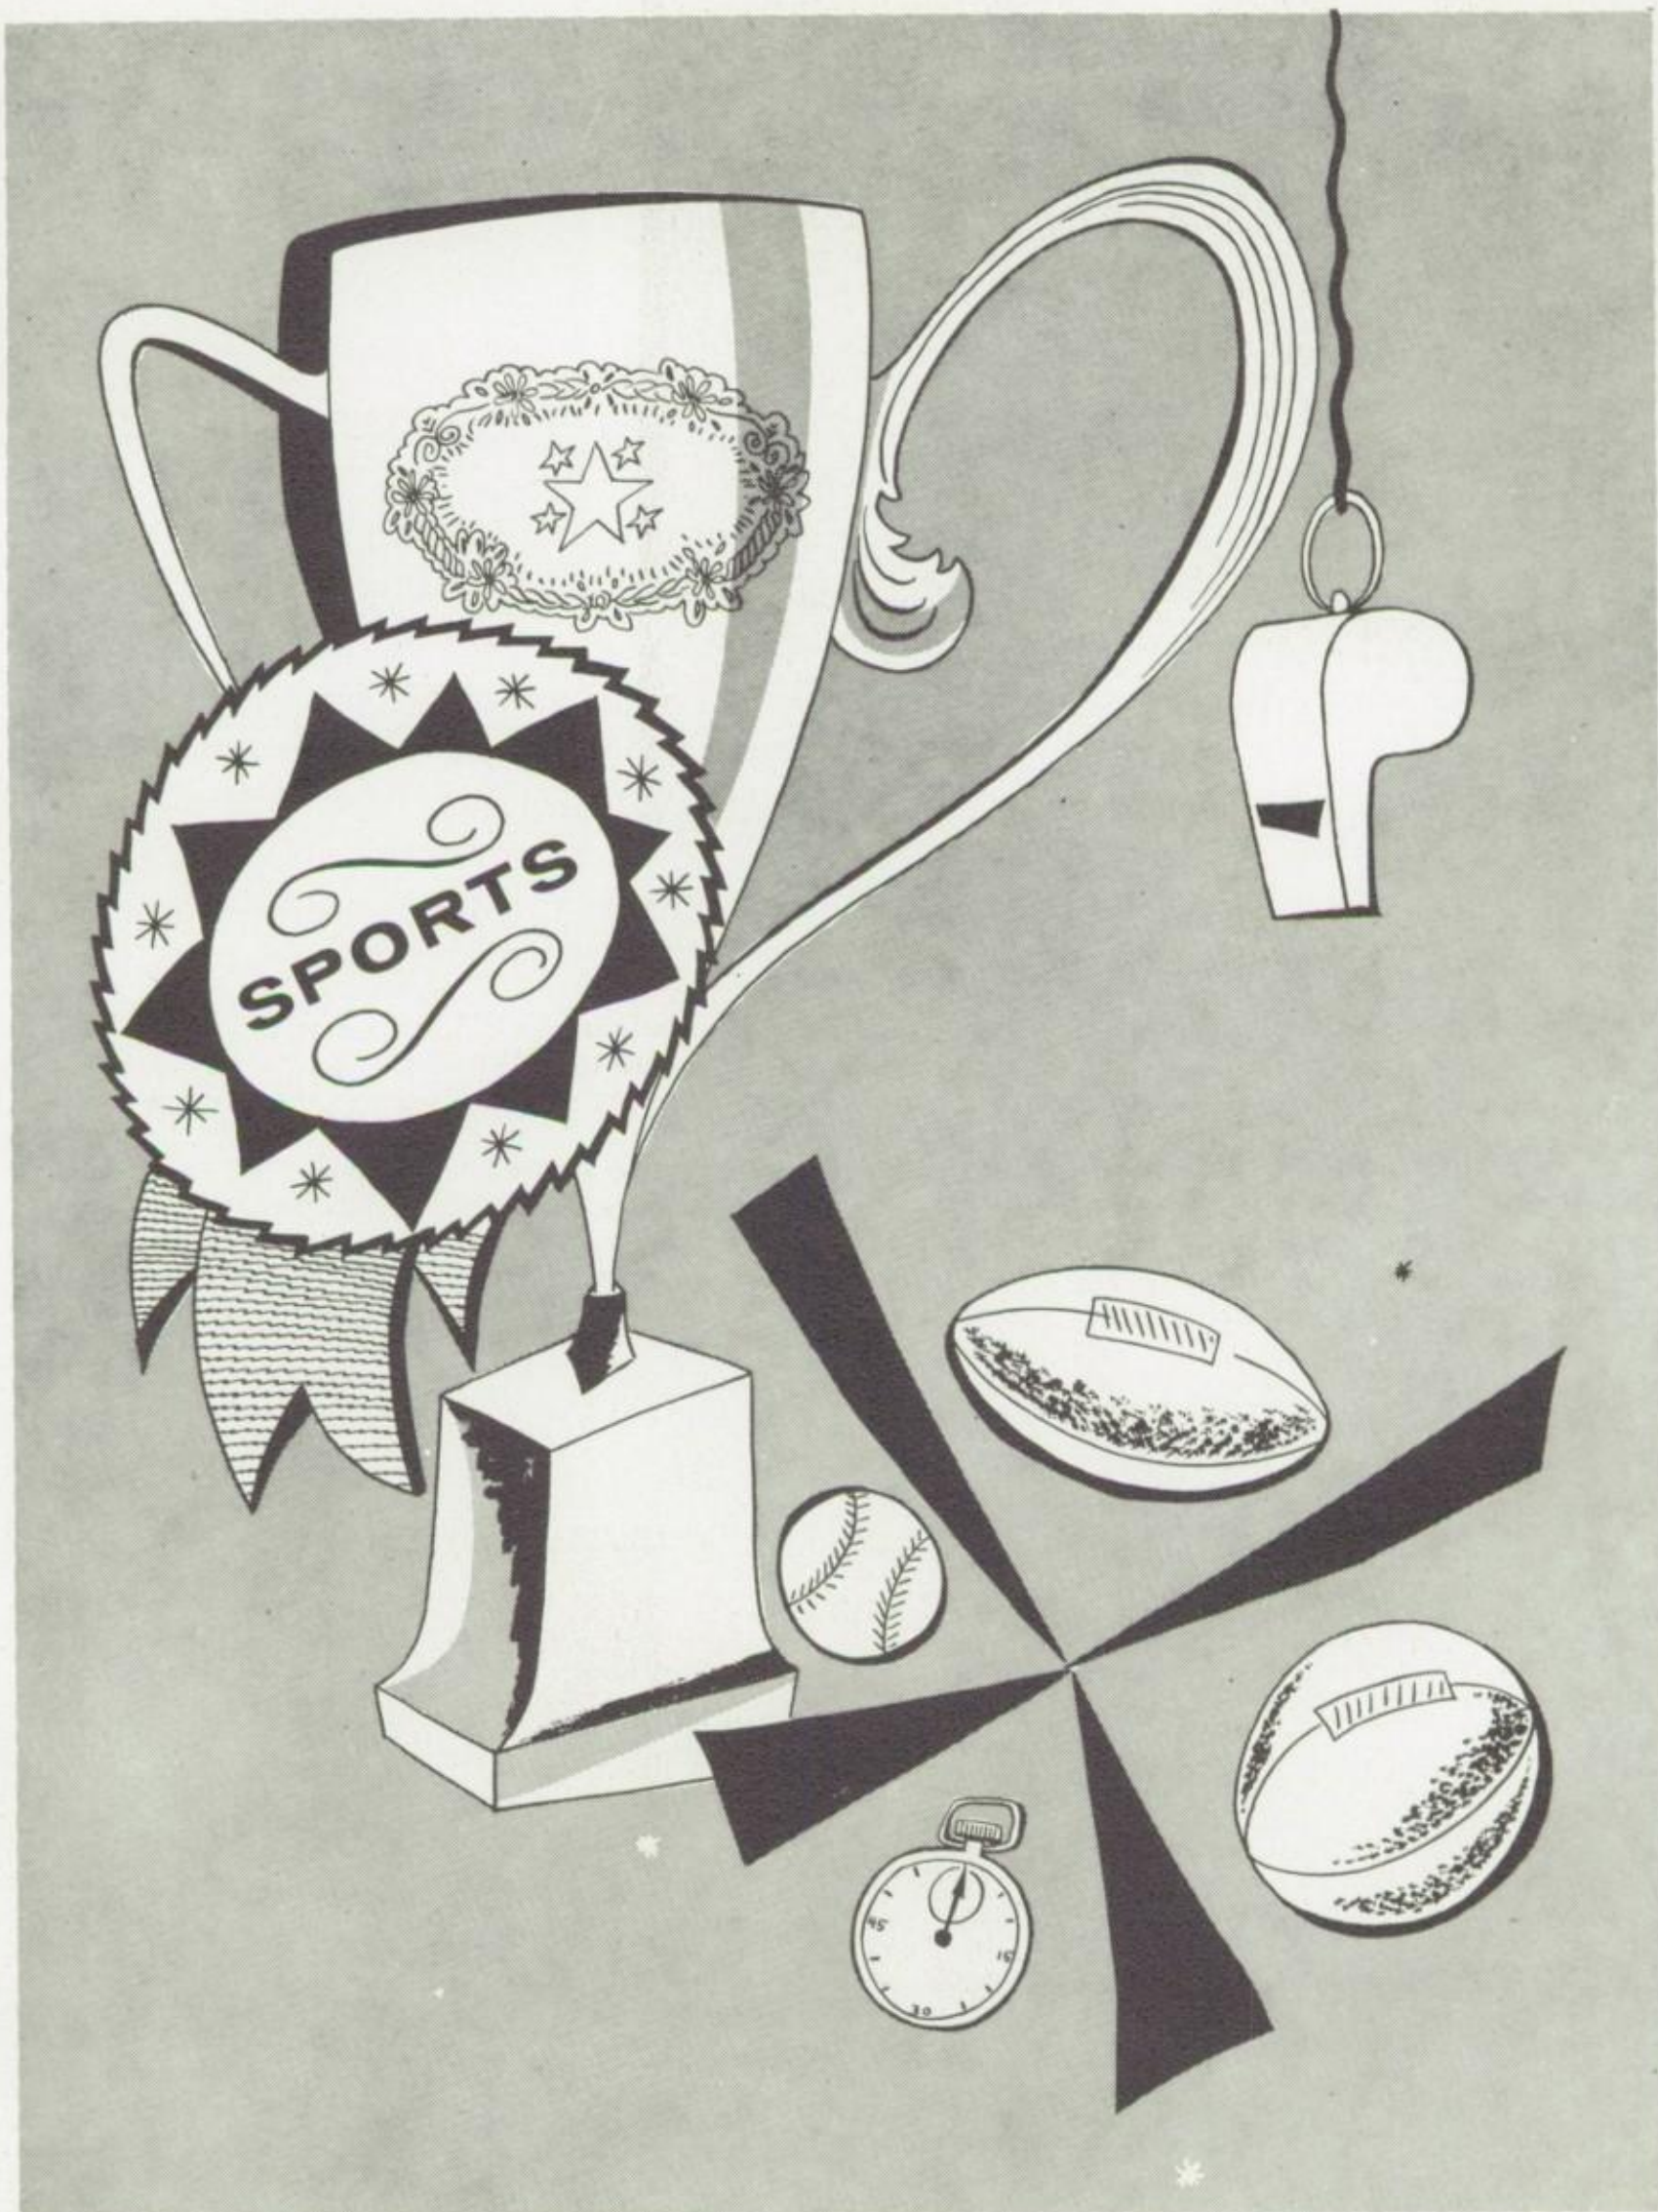

Our three main objectives were to learn the driver's responsibilities to himself, his family and society. How drivers may know their deficiencies and how drivers may overcome their weakness and lack of knowledge.

## Crusaders Turn In Perfect Record

Parkersburg's gridders lived up to all expectations by beating their way through nine opponents and finishing the season undefeated and untied. Dave Knock, senior quarterback, led the Crusaders on their perfect record. He was ably supported by seniors Ken Kyhl, Alan Pruisner, and Evan Bennehoff, Juniors Dick Brouwer, Dennis Bartels, Russ Simon, Del Huisman, and Dennis Schuck. The highlight of the successful season was the stirring victory over Conrad in the final game. The Crusaders were anywhere from 7 - 13 point-underdogs before the kickoff but sheer determination and desire combined with some real fine football carried the boys to a 20 - 6 win.

Although this record looks tough to improve on, the returning members of the squad look at the approaching "60" season with anticipation.

The past Crusaders Basketball season proved to be unsuccessful as far as won and lost records are concerned. However the hard court men provided many thrills throughout the season and perhaps reached their peak in their last home game when they trounced Aplington 79-64 after being beaten by them twice previously.

Many of the games were close and with the Crusaders "never say die" attitude crowd interest was held at a high level.

One school record fell as the boys eased past Eldora Training 87-45. The 87 points scored topped the previous high of 76 points by a Parkersburg team.

Allen Pruisner led the team in scoring with 229 points, Al Sluiter was second with 193. Ken Kyhl ended his career while nabbing a season's total of 138 rebounds to lead in that department. Those three boys along with Dave Knock, a tremendous competitor will be sorely missed next year.

With five returning lettermen back next season, prospects for a good year are promising. The lettermen are Don Anderson, Dennis Bartels, Del Huisman, Keith Cuvelier, and Craig Knepe.

BACK ROW: Left to Right; Maxine Schwerdtfeger, Kay Eilers, Bev Dickes, and Nancy Wahl. FRONT ROW: Joyce Krull, Judy Schultz, Sheila Bode, Judy Stout, Joyce Knudson,

Janelle Bronsma, Joyce Brocka, Judy Spain, Shirley Hook, Sandra Cuvelier, Brenda Harberts, and Delma Tammen.

Led by seniors Judy Spain and Joyce Brocka, the Crusaderettes provided a season rampant with thrills and excitement as they won the sectional tournament at Hansell with two come from behind one-point wins. In the District the girls were defeated by Gladbrook, the eventual state champions. Again their success has to be chalked up to determination and hard work. Along with Spain and Brocka, (who incidentally were both honorable mention all-state) the "kingpins" of the Crusaderettes were Senior Joyce Knudson, Juniors Judy Stout, Sandy Cuvelier, Shirley Hook, and Brenda Harberts, Sophomore Judy Schultz, and Freshman Janelle Bronsema.

The Crusader baseball campaign proved to be not too successful. However there were some high points that must be mentioned.

Senior Dave Knock was outstanding throughout the season. He led the team in hitting with a batting average of .541, including a double, triple and two home runs. He also turned in fine performances as the team catcher. In one game he threw out six men attempting to steal base.

Junior pitcher Dennis Bartels turned in some fine ball games for the Crusaders. Included in his record were 2 one hit chores. However inexperience proved to be costly.

Dave Knock, Ken Kyhl, Don Haack, and Al Praisner will be lost to the team by graduation.

Forming the nucleus of next year's team will be Kenny Knock, Lee Schwerdtfeger, Keith Cuvelier, Dennis Hagen, Craig Knepe, Joel Janssen, Don Anderson, Dennis Bartels, Del Huisman, Dick Brouwer, Elmer Reints, and Dennis Schuck.
